Logging into Rasmuson Foundation's Grant Portal for Individual Artist Awards

All applications for the Individual Artist Awards (IAA) must be submitted through Rasmuson Foundation's Grant Management System, SmartSimple. Each applicant will need to log in to an existing account or create a new account in SmartSimple.

SmartSimple allows applicants to save their progress and return later, so you do not need to complete the application in one sitting. As you are drafting your application, we strongly recommend working in a separate document to back up your responses and save often in case of technical issues and to prevent loss of information.
